Dedication

Through her profound love for music, she has contributed much to its growth and appreciation on the campus. Unfortunately, however, all of us are not talented in this field and do not have an opportunity to study under her.

Nevertheless, she is well known and loved by all because of her active participation in many other campus functions. We have come to think of her in terms of her warm smile, friendly greeting, Christian principles, and love for all.

Therefore, it is with humble admiration that we, the Student Body, dedicate this, the 1955 LANTERN, to one who has been a source of vitality and inspiration to each of us—

Mrs. Elisabeth Fossey

From The President's Desk

Student participation in the various projects for the development of Lambuth has made significant contributions which I am happy to record and for which I express grateful appreciation.

Student understanding and patience through a period of transition have helped wonderfully. To a commendable degree students have shown discernment and a readiness to adjust to conditions and to grow with a growing institution.

We all rejoice in that regional and national recognition has come to Lambuth. Membership in the Southern Association of Colleges and Secondary Schools and in the Association of American Colleges opens doors of opportunity for larger service. Lambuth has experienced another epoch in her history.

Lambuth's future, nevertheless, is still before her. We have not "arrived". We must advance on all fronts.

Together let us in confidence continue to seek physical, mental, moral, and spiritual maturity.

Cheerleaders

Basketball 1954-55

Inexperience and lack of height proved to be the greatest obstacles to the Eagles this year, but these disadvantages were gradually overcome throughout the season as the team went on to score the mythical 100 points on five different occasions. Even though four of these games were lost, high tribute should be paid to Coach Williams and to the team for giving Lambuth a basketball season that is many times better than the record indicates.

The outstanding characteristics of the Eagles during the year were the fine team play and the high standard of sportsmanship displayed each time the team took the floor. Time and again Lambuth fans thrilled to see Jerry Pate, Charles Bray, and Billy McKnight as they worked the ball among them on a fast break toward the basket. The sharp-shooting eye of Dick Fly, the fine rebounding of Jerry Corlew and Jackie King, and a ready group of able substitutes also must be taken into consideration when evaluating the year.

We of the staff congratulate the Eagles of 1954-55 on having scored an average of 87.71 points per game for twenty-one games, and we sincerely extend our best wishes for a most successful season next year.

An added attraction to Lambuth basketball was inaugurated this year as MCGEE-ROSS HARDWARE CO. and TRUEX CHEVROLET CO. sponsored the radio broadcasts of fourteen Lambuth games. The project was placed under the supervision of the Speech Department and proved an excellent means of public relations for the college.
